23rd-24th April

Curriculum Days

5th April

Super Egg Race & Kerrimuir Gift
Term 1 ends 2:30pm

26th April - 25th June

Footsteps Dance Lessons

School Review Update

This coming Tuesday (19th March) is the first of our School Review days. The first day (known as validation day) is where the review team examines all the great things we have been doing at Kerrimuir over the last four years. 24 students from grade 2 – 6 have been selected to be our focus students and will have an opportunity during the day to speak to the review team about their experiences at KPS. The reviewers will also be visiting classrooms and talking to students and teachers about what they are up to in the class.

**Acting Principal's
Message:
Michael McLean**

Parent Teacher Conferences

A reminder that on Monday 25th March individual students, their parents and their teacher will have the opportunity to meet throughout the day for a parent teacher conference.

During this time, students will be able to share their achievements and future goals with their parents and teacher.

These conferences/discussions can be booked online through Compass or be made at the school office.

Parents will be able to select their conference time from **12:00pm until 7:30pm**, for a duration of 15 minutes.

Please note as approved by School Council there are **no regular classes on this day** and students are **ONLY** required at school for the duration of the conference.

Cultural Understanding and Safety Training (CUST)

On our curriculum day this week the teaching and support staff participated in Cultural Understanding and Safety Training. This is an important Education Department initiative aimed at improving our knowledge of cultural heritage and incorporating it into our curriculum. The staff enjoyed a range of tasty aboriginal inspired finger foods to celebrate the day.

C Caring for people and the environment

a Achieve our Best

r Respect ourselves and others

e Educating our children for the future

Congratulations to last week's winners of the Kerrimuir CARE Awards!

These students have all been recognised by their teachers last week for an achievement related to one of our four school CARE values.

Prep enrolments for 2020 Kerrimuir school families

We are currently taking enrolments for current 4 year old Kindergarten students who turn 5 by April 30th, 2020 for the 2020 school year.

School Council Meetings Term 1

Monday 18th March 2019

Commencing 7pm in the staff room.

Visitors welcome!

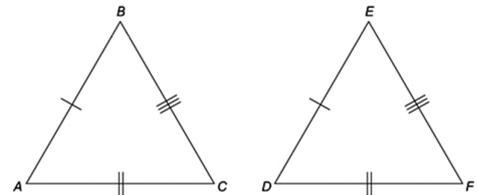

**Kerrimuir Primary School
Word of the Week**

This weeks wordsmith is: **Archie P**

Congruent

Congruent: in agreement or harmony.

Example: His behaviour was congruent with his ideas.

Super Egg!

**It's that time again...
Time to give it 'a crack!'**

1. Buy your egg shell from your teacher (gold coin donation). 
2. Fill it with your secret 'speedy' ingredients.
3. Send it down the racetrack!

Date: Friday 5th April

Time: 9:45-11:00

Wear: Free dress and runners for the 'Kerrimuir Gift' running race.

All profits are donated to the
Royal Children's
Good Friday Appeal.

Super Egg

For all new parents, Super Egg is a long held tradition at Kerrimuir Primary School which involves students decorating/filling a plastic egg to roll down a ramp in an egg race. Each class has a race, and the winners of each class go in a final race to become the Super Egg Champion!

We also hold a "Kerrimuir Gift" during the day which is based on the Stawell Gift held every year over the Easter long weekend.

Eggs are now available to be purchased from your teacher.

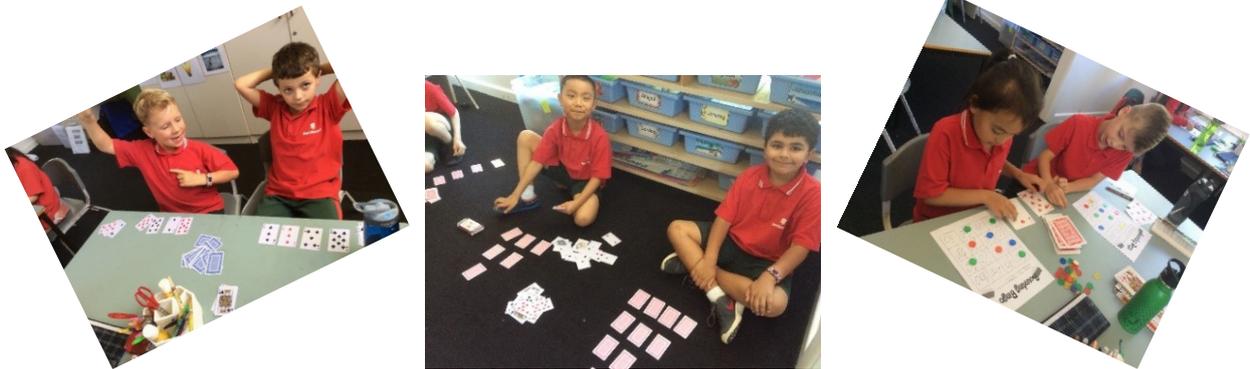

What's going on in 2B?

During the first few days of 2019, students in 2B spent time getting to know one another. Completing autobiographical lap-books, holding a friendship scavenger hunt, crafting and comparing personal data cubes and coming up with a Class Charter for acceptable conduct really helped bond everyone together.

We have thoroughly enjoyed playing Maths games to re-inforce classroom learning. Place Value Wars strengthened knowledge of numbers to 1000. Rounding Bingo helped us round up or down to the nearest 10 or 100.

This term in Science our topic is 'All Mixed Up' and we have worked collaboratively with 2A to experiment with different mixtures. We have asked questions, made predictions, observed and drawn conclusions from our results.

Eating the chocolate crackles we made was a definite highlight! We are currently looking forward to our upcoming incursion 'The Lab'.

GET CONNECTED!

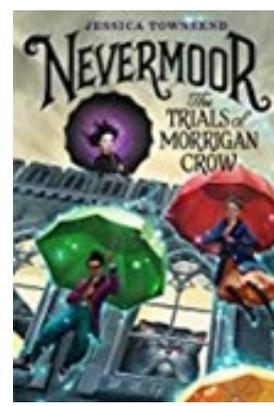

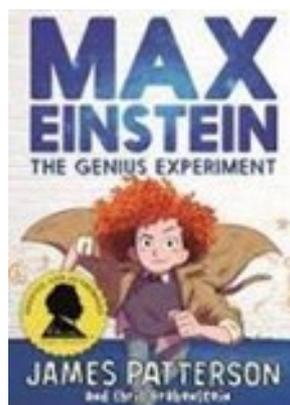

How are books selected for the Library?

There are quite a few strategies for selecting books. Here are just a few:

- Constantly seeking recommendations from students regarding titles to purchase, purchasing them and then promoting them as recommended titles. As adults we can't imagine all the kinds of reading materials that students could be interested in, nor be aware of every great book (new or old) that is published and available.
- Cover – The saying goes "You don't judge a book by its cover!" but the fact is that you do. The purpose of the cover is to entice the reader to pick the book off the shelf. Authors don't choose their own covers, publishers and marketers do, and an author doesn't always like the choice. Sometimes different covers are chosen to attract different audiences, as when Harry Potter was released with different covers for children and adults. The cover might suggest characters, story elements, genre, reader age, reader gender or just reveal the author and title.

PARENTS please remember to **discuss reading with your children as enthusiastically as you do about other interests like sport, movies, games and things they may be passionate about** – legitimising reading as an important and vital aspect of the whole package of our lives.

Here are a few of our new books available this week:

HAPPY READING!
