

Visitors in Schools Policy

PURPOSE

To provide a safe and secure environment for students and staff.

To establish protocols and procedures that effectively monitor and manage visitors without compromising the open and inclusive nature of the school.

SCOPE

We seek to provide an open and friendly learning environment, which values and actively encourages visitors to the school. At the same time we recognise our duty of care to ensure a safe environment for our students and staff.

We also recognise our obligation to ensure that any program or content delivered by visitors is consistent with the values of public education and the requirement that education in Victorian government schools is secular (apart from the provision of Special Religious Instruction, delivered in accordance with legislative and Department requirements).

Programs delivered by visitors must be delivered in a manner that supports and promotes the principles and practice of Australian democracy including a commitment to the following, as outlined in s 1.2.1 of the Education and Training Reform Act 2006 (Vic):

- elected government
- the rule of law
- equal rights for all before the law
- freedom of religion
- freedom of speech and association
- the values of openness and tolerance.

TYPES OF VISITORS

Visitors to schools may include, but are not limited to:

- prospective parents and employees
- those who are addressing a learning or developmental need, such as:
 - parent and community volunteers
 - invited speakers
 - sessional instructors
 - representatives of community, business and service groups

- those who are conducting business such as:
 - uniform suppliers

Other visitors may include:

- persons who are authorised to enter on to the school premises, for a specific purpose (e.g. Worksafe or Environmental Health officers). In such cases school procedures should set out:
 - the process for checking the identification and authorisation of such persons
 - the process for recording their attendance
 - who should facilitate their entry on to the school premises in a manner consistent with the authorisation.
- Department staff including allied health practitioners (regional and central offices)
- public officials (e.g. Ministers, Members of Parliament, Mayor)
- National Disability Insurance Scheme (NDIS) Therapists and other allied health or health practitioners that are not employees of the Department or school council.

2. DUTY OF CARE

Principals and teachers have duty of care to their students. The duty requires principals and teachers to take all reasonable steps to reduce risk, including the provision of suitable and safe premises and the provision of an adequate system of supervision. The duty is non-delegable, meaning that it cannot be assigned to another party.

Visitors who are attending the school to deliver incursions, presentations, seminars or other activities and programs to students will be fully supervised by school staff at all times.

Where necessary, the school will assess and verify the suitability of visitors who will work with children. The evidence required is generally a working with children check (WWC Check). However if a visitor's occupation exempts them from the requirement to have a WWC check e.g. police officers, teachers, they must provide evidence to the school support their claim to an exemption.

Parents collecting child/ren between 9am and 3.30pm for external appointments are to present themselves to the main office to collect an early departure card. If the child/ren is in the yard for recess or lunch break the parent/ guardian is to remain in the foyer area until the student arrives.

3. APPROVALS

On the basis that schools are not public places, but are public educational institutions, the principal has ultimate discretion to approve or not approve a potential visitor. The Principal also has the authority to exclude people from being on school grounds outside of school operating hours.

When deciding to approve a visitor, the Principal will consider the visitor's suitability, purpose and the benefit provided to the students and staff from the visit, specifically:

- the educational merit and potential benefits of the visit;
- the level of disruption to the functioning of the school programs and routines in relation to the potential benefits to students;
- whether the proposed visit is consistent with the values of public education including the requirement that education in Victorian government schools is secular (apart from Special Religious Instruction, delivered in accordance with the Education and Training Reform Act 2006 (Vic), Ministerial Direction 141 and policy);
- whether the proposed visitors will be delivering content that is appropriate having regard to school policies, Department policies and the principles and practice of Australian democracy including the elected government, the rule of law, equal rights for all before the law, freedom of religion, freedom of speech and association and the values of openness and tolerance;
- the potential for the visitor to cause controversy within the school or broader community.

The principal should consider the suitability of visitors to be in a location where children freely move about, learn and play and whether a Working With Children Check is required or exemptions apply.

IMPLEMENTATION

Visitors who are attending the school to deliver incursions, presentations, seminars or other activities and programs to students need to seek the prior approval of the school principal (or their nominee) prior to attending the school. Where appropriate, the school will first obtain parental consent for students to participate in specific programs delivered by visitors.

All visitors are required to report to the administration office:

- prior to undertaking any activity within the school. They are required to sign a Visitors Book and will be assigned a "Visitor" badge which they must wear at all times within the school.
 - at the end of their visit, to return their badge and sign out in the Visitors Book. This process will be published in school communications and will be displayed at all school entrances.
- All visitors are required to comply with the schools Statement of Values. Visitors who fail to follow directions will be directed to the Administration Office.

The school's emergency management procedures will ensure that visitors within the School at the time of any emergency or practice drill will be recognised and be appropriately catered for.
