

Principal's Message

Michael Mclean

Welcome back to school for term 3. The current term promises to be as action packed as last term with lots of exciting events planned.

New Staff

This term we welcome some new members to our classroom teaching staff. Sarah Ow will be taking over Prep B and Janice Chin who is moving from an EAL support role into teaching 2B. We welcome the return of Julia Weston to our team who will be working with our EAL students, in the office area we welcome Kai Lin and to our student support team we welcome Paige Dimitroff. I am sure they are looking forward to making connections with our wonderful school community.

Upcoming Curriculum Day

A reminder to all families that we have a school wide Curriculum (pupil free) Day on Monday 29th July. There will be no regular classes on this day and Team Kids will be offering full day care for families that require this service.

Building Update

I am pleased to announce that the ground plumbing works for our new building are nearing completion and our builders have already completed the concrete slab works for the canteen, toilets and classroom section. The concrete works for the main basketball section will be completed later this month with the steel framing expected onsite at the beginning of August. After our many years of waiting this is an exciting time for our school.

Farewell Mr Martin

This week we celebrated the retirement of Mr Mel Martin from our school staff team and wished him well on his next adventures.

Mel joined Kerrimuir Primary School in November 2016 after transferring from Old Orchard Primary School.

When Mel started at KPS he was assigned to me, and we have worked together ever since. Whilst he was initially employed to coordinate OHS and maintenance it was my special projects that have kept him busy.

Together we have coordinated the recladding of all school buildings, roof works, painting, asphalting and creating classroom and learning spaces in all the buildings.

On a personal note, I value his unbiased opinions and appreciate his honesty and reliability. Always first to volunteer no matter what for. Whether cooking the BBQ, painting a wall or vacuuming the leaves.

Mel you will be greatly missed by the school community, and we look forward to hearing about your next adventures of your life of travels abroad and in the caravan.

Neither the school nor the Department own or control any images of students taken by parents/carers, students, or their invited guests at school activities. In addition, personal photography/filming must not:

These measures are in place to promote the privacy and safety of our students and their families. Please share this important information with other family members, such as grandparents.

Hear from our Principal
 Stephanie Evans

We are excited to announce the launch of our Siena in Siena Year 9 Program, commencing in 2026. The program will provide all Year 9 students at Siena College with an enriching educational experience in Tuscany, Italy.

During a three-week journey, students will fully engage with the local community in the heart of Tuscany, in a small town called Tavarnelle, experiencing Italian culture and traditions. They will continue their academic studies, connect with peers from a local high school, and explore the language, history, cuisine and regional produce. Each group will also contribute to a community project, fostering a sense of belonging, service and connection.

Students will also travel to Rome, Siena, Florence, Bologna, Pisa and Assisi, deepening their understanding of our Dominican values and charism, and following in the footsteps of St Catherine of Siena to grasp her relevance in today's world.

In 2023, our first pilot group of Year 9 students experienced a three-week immersion program in Tavarnelle. This year, we have a second pilot group embarking on a similar journey. In 2025, Year 9 students will have the opportunity to be part of an expanded, final pilot program.

"The trip was one of the greatest experiences I've had in my life. The best things about the trip were the food, meeting the local community and immersing myself in the Italian culture, and being there with my friends."

Carla, Year 9 2023

This exciting program will allow students to embrace every opportunity – to **do more** – ensuring that they are empowered to explore, learn and grow; to ultimately be equipped with knowledge, confidence and compassion to **be more** in their future.

Further details about our Siena in Siena Year 9 Program will be made available on the College website later this year.
